

The Canadian National Exhibition (CNE) has started and is almost over. That is usually one of the first signs that the end of summer is upon us. We spend several cold months waiting for summer to start, and can you believe that it is now almost over. We hope that everyone has had a safe and happy summer, but don't fret, the fall months bring just as much activity and opportunity to enjoy the outdoors.

**IMPORTANT REMINDER:**

We would like to remind everyone about reporting maintenance repair needs. Please report all requirements to the front desk so that these requests can be logged and followed up on appropriately. All minor and emergency requests must be reported to the front desk. The maintenance staff cannot take your requests verbally and they must attend to all resident requests on a first come first serve basis. If the front desk deems a request to be an emergency then these will be handled as soon as possible before minor repair

requests. Please refrain from calling the maintenance staff, approaching them throughout the building or waiting at the front desk and verbally expressing your wishes. Thank you for your cooperation.

Monday September 5<sup>th</sup> is the Labour Day Holiday and The Grenadier offices will be closed on this date. If you need immediate assistance please report to the reception desk. Non-emergency requests will be attended to after the holiday.

Have you noticed the staff wearing jeans on Fridays. It is for a great cause! Every Friday is dress down day. The staff pay \$2 on each Friday they dress down and \$1 goes to the staff cheerleading fund for special staff events within the home and \$1 goes to the Alzheimer's Society. Every year we make a donation of the funds collected to the Toronto Alzheimer's Society. If anyone would like to participate, you could wear yellow (the

Alzheimer colour) or just wear jeans and visit the receptionist on Friday, make your donation and get your participation sticker.

The next Provincial election will be on October 6<sup>th</sup>, 2011. There will be polling stations located here inside The Grenadier on that date so you will not need to leave the building to vote.

**Important NEWS!**

We have several people who do not wish to receive print items delivered to their door and/or do not get their copy. To serve you better, this newsletter and the menus will be available in the front lobby and in the 1st Floor lounge for pick up. Starting October 1<sup>st</sup> these items will not be delivered door to door. Thank you in advance for your cooperation.

Enjoy the last few days left of summer and hopefully we will continue to have beautiful weather for the Fall season.
